### 7 - NIGHT MEDITERRANEAN TAPA'S & WINE VOYAGE: JUNE 7 - 14, 2017

On AZAMARA'S *JOURNEY*, A Small Ship Experience

ALONG THE IBERIAN PENINSULA – TAPAS & WINE The sun on your back, fresh sea air, friendly little towns, and local tapas and wines. All the simple pleasures of life can be found here. Stroll Menorca's little village, beaches and hiking trails, and Alcudia's long bay front and old town market stalls (look for handmade Mallorcan leather shoes). Be sure to sample Balearic tapas, made from locally raised pork, cheeses and produce, perfect with a glass of local wine. There's a lot to love about Cadiz, an ancient town with excellent seafood restaurants, pretty beaches, and nearby mountain villages that produce olive oils and serve local game in the restaurants. In Lisbon, explore historic old quarters and enjoy an evening of tapas, wine and fado.
