

Dear Friends,

Attached you will find a flyer for a Regent Seven Seas Cruise that Peggy and I will be sailing on in September 2016. We hope you will join us as we cruise from New York City to Montreal for 10-nights. What could be a better fall experience than cruising with Regent Seven Seas Cruises® to experience the autumn delights of a Canada & New England fall. **The dates are September 21 - October 1, 2016.**

All bookings through Magic Happens Travel will receive a \$400 per suite onboard credit, plus a complimentary exclusive private group excursion, plus all the other all-inclusive components as shown on the attached flyer. This 6-star all-inclusive cruise line offers complimentary airfare from major gateways including the likes of CLT, IAD, ATL, DEN, LAX, ORD and others. From smaller cities there is an air add-on. For example coming from RDU there is an additional air charge of \$249 per person flying into NYC and home from Montreal.

If you do not use their airfare, you can deduct \$500 per person from the cost of the cruise. Although all accommodations on this ship, the Seven Seas Mariner, are suites with balconies, if you book the Concierge Level - category E or above, it also includes a complimentary 1-night pre hotel room and transfers from the NY airport to the headquarters hotel: Le Parker Méridien New York located at 119 West 56th St. NY, NY 10019 and then to the ship on the 21st. If you do not wish to come early, you will save \$200 a person for not using Regent's hotel.

I just looked online and the rate for this hotel, located a few blocks from Central Park on 56th Street, is close to \$600 a night per room. Doing it through us / Regent is a great value as it includes the room, breakfast and transfers to and from the hotel. If you wish to spend additional nights in NYC, I would need to check to see what the additional nights would cost.

Peggy and I will be going to New York on the 20th staying at the Le Parker Méridien. We also plan to spend a few additional nights in the Quebec City area after the cruise.

Also, this cruise features “The Smithsonian Collection by Smithsonian Journeys.” The Smithsonian Collection by Smithsonian Journeys is an engaging enrichment program led by a wide range of experts, from noted art historians to leading authors to former diplomats, who are eager to share their firsthand knowledge and expertise. More than a lecture series, this program is completely interactive, encouraging you to participate in insightful discussions with informative Q & A sessions, exchange ideas on a personal level in a social setting, and fully immerse yourself in the destination through select excursions. **Details can be found at RSSC.com/TheSmithsonian.**

Please review the attached document which shows the current 2 for 1 fares. This cruise will sell out quickly as it is part of a 38 night (3 segment cruise) from Vancouver to Montreal. If you have an interest in cruising longer than this 10-night New England/Canada cruise, we can add on a 10-night cruise from Vancouver through Alaska finishing in San Francisco, plus an 18-night cruise from San Francisco through the Panama Canal ending in NYC on 9/21/16.

We hope you can join us! Please give me a call.

Warm regards,

Michael
